SUBJECT:

Proposed Revision of Automatic Data Processing
Management (JOB #8345) DRAFT F

REFERENCE:

Our memorandum dated 20 August 1980

FOR YOUR INFORMATION:

1. Attached is the final draft of proposed by the Director of Data Processing. Draft E of this proposal was sent for information in August 1980. The attached draft incorporates changes as a result of the information process; changes are enclosed in brackets and include:

- a. Addition of the word "management" in paragraph a(1).
- b. Reinstate as new paragraph a(2) that the General Services Administration is the organization responsible for Government-wide acquisition of ADP equipment, software, and services.
- c. Former paragraph a(2) of Draft E has been deleted.
- d. Rearrangement of the definitions in paragraph b with some change in wording (see brackets).
- e. Editorial changes have been made for clarity in paragraphs d(2)(a), (b), (f)(3), (4)(a), (4)(d), and d(7).
- f. Addition of new paragraph d(5)(j) states that the Director of Data Processing determines whether ADPE declared excess by Agency components can be reutilized by other Agency components and, if not, inform the Office of Logistics so that disposal action can be taken.
